PROJECTS

Dead man's best friend — Assistant Director (IMDB)

After the mysterious murder of an innocent man, a hot-headed and deadpan Detective Dalton Bowman is put on the case with seemingly no leads and no witnesses. No witnesses except for the victims three-year-old, German Shepherd.

Room 36- Assistant Director (IMDB)

A group of four friends reunite under a brutal murder and a series of orchestrated events intentionally planned by their childhood friend, Samantha. Their loyalty is put to the test as a gross sum of money, adolescent past times, a homicide swindle them into an ultimately selfish mind state. The group's relationships break as their egoistic motives remain the strongest in their intentions.

New World Power- Director- Script Writer- Cinematographer- Producer- Editor

In the Year 2035, the world has changed and remains under the control of a government organization called "The Reign". This is a world with no religion, no presidents and no more basic freedom rights. Our Rebels, Quincy, Zane, Azari and Heather infiltrate a Reign leader's house to gather using a unique way of communication; Telepathy.
